Color the bat. Cut it out to make a mask. Make holes for your eyes. Make 2 small slits near where the ears should be. Tie a piece of string or ribbon to each side so that you can tie it around your head. Use scotch tape to make the holes stronger so they don't tear.

# 'Good Guy' BAT MASK

Lots of people are afraid of insects. They look very scary. But bats are very important to us. Get some books at the library or search the internet and learn more about them..
